Introduction to PFC Settlements

Thank you for your interest in PFC Settlements. PFC Settlements, a service provided by Airlines Clearing House (ACH), was created to streamline and simplify the PFC payment process between airlines and airports. PFC Settlements removes the need for airlines to send paper checks to airports and allows participating airports to receive their monthly PFC payments from airlines in a single aggregated deposit made directly into its U.S. Bank account. Non participating airports receive a single check for the total amount due from all participating airlines.

ACH participation is not required to enjoy the benefits of PFC Settlements. All airlines and PFC authorized airports are eligible to join.

This Handbook was designed to provide you with an overview of the PFC Settlements service and outline the steps you need to take in order to join. It also contains the PFC Settlement Agreement and Regulations; application for opening your U.S. Bank account; a User Guide to the PFC Settlements System; and a link to the Code of Federal Regulations for PFCs.

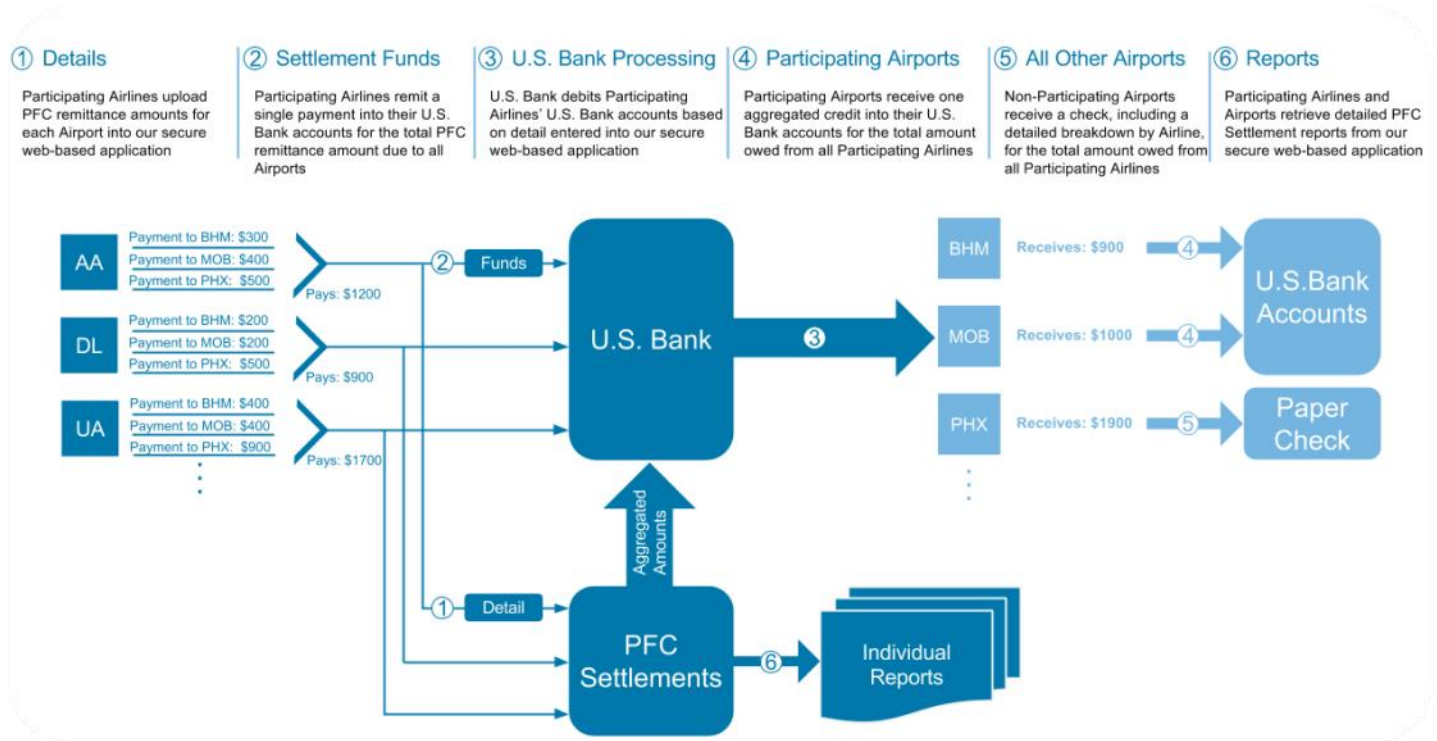

Overview of PFC Settlements Process

- **Details:** Monthly, and in accordance with predetermined due dates, participating airlines enter PFC payment¹ amounts due to all airports into a secure web-based application
 - Alternatively, amounts may be entered through a single file upload in .csv format
- **Settlement Funds:** On settlement day², each Airline deposits funds into its U.S. Bank account for its total amount due
- **U.S. Bank Processing:** U.S. Bank processes a single debit to each participating airline's U.S. Bank account, representing its total amount due for that sales period
- **Participating Airports:** Participating Airports' U.S. Bank accounts are credited for the total amount due to them
- **All Other Airports:** Non-participating airports receive a single check for the total amount due to them
- **Reports:** Participating airlines and airports have online access to detailed reports that provide a breakdown of the debit or credit amount. Non-participating airports receive a detailed report enclosed with the check that provides a breakdown of the amounts included for each airline
- **PFC payments:** Payment amounts are net of refunds and PFC collection compensation
- **Settlement day:** Usually the 24th of each month, but may be adjusted to accommodate weekends and holidays

¹ PFC payment amounts are net of refunds and PFC collection compensation

Benefits

PFC Settlements allow airlines and airports to benefit from an efficient and inexpensive process that eliminates much of the administrative burden.

Participating Airports	Airlines
<ul style="list-style-type: none"> ✓ Quicker receipt of funds ✓ Eliminates processing of paper checks ✓ Eliminates risk of lost checks ✓ Provides single deposit directly into bank account ✓ Detailed reporting ✓ Low bank fees 	<ul style="list-style-type: none"> ✓ Reduced postage costs ✓ Eliminates cost of issuing paper checks ✓ Eliminate risk and headache of lost checks ✓ Single debit from bank account ✓ ACH is a known and trusted process ✓ Low bank fees ✓ All Airports included

U.S. Bank

All PFC Settlement participants are required to open and maintain a bank account⁴ with U.S. Bank for use with PFC Settlements.

ACH contracts with U.S. Bank to perform the settlement, using a proprietary netting solution, enabling participants to minimize costs by aggregating amounts and processing a single debit or credit to each participant's U.S. Bank Account for the total amount. Non-participating Airports receive a single check for the total amount.

To assist ACH with its function as facilitator of PFC Settlements, ACH has access to view current day balances of participants' U.S. Bank Accounts. This enables ACH to ensure that debtors have adequate funds in their accounts prior to effecting the PFC Settlement.

Check Processing

Non-Participating Airports receive a single check for each sales period for the combined total of all PFC amounts due from Participating Airlines.

The check includes a breakdown by airline and amount, of the total amount of the check.

Checks are sent to the address contained in the Airlines for America PFC Remittance Directory.

ACH will actively investigate any unpaid check beginning 60 days after issuance.

Data related to checks is maintained by ACH for no less than seven years after issue.

Quarterly Reporting

Effective with third quarter of 2016 PFC Settlements will also generate quarterly reporting to all Airports on behalf of its Participating Airlines. This service is at no additional cost and participation is voluntary.

Quarterly reports will be produced for each quarter and sent to the applicable Airport/Public Authority with copies emailed to the reporting Airline. Year to Date Quarterly summary reports will also be produced and sent to the Reporting Airline via email. Separate reports will be produced for each pairing of reporting Airline and Airport.

Reports will be sent to the Airports by no later than the last day of the reporting deadline dates:

First Quarter Reports sent by no later than April 30th

Second Quarter Reports sent by no later than July 31st

Third Quarter Reports sent by no later than October 31st

Fourth Quarter Reports sent by no later than January 31st

To participate, Airlines must send a .csv formatted file directly to ACH at ach@airlines.org (this is independent of the file uploaded to the PFC Settlements System of the remittance amounts) of its quarterly reporting data.

The file may be sent on a monthly or quarterly basis (containing three months of data), but in no case should the file for the last month of the quarter, i.e., sales from March, June, September or December, be sent to ACH later than the 21st calendar day of the following month.

Airlines will benefit from no longer having to mail quarterly reports to each of the airports.

Airports will benefit from receiving a standard report format with multiple airlines' reports contained in one distribution. ACH will work with the airports to distribute the reports electronically (via email attachment as a PDF) or via U.S.P.S. to the address they wish to receive hard copy reports (in the event this address differs from the address to which the airport authority wishes to receive its PFC remittances).

1. Reporting Airline field will be populated with the full airline name. As an example, 027AS will be written to the report as: Alaska Airlines
2. Airport will be populated with the Airport Code followed by the Airport/Public Authority Name. As an example: LGA will be written to the report as: Port Authority of NY and NJ (LGA)
3. Remittance Date will be populated with the date of remittance through PFC Settlements, or as directed by Airline in the case of back-dated reporting

Joining PFC Settlements

Joining PFC Settlements is easy. There are no start-up costs or anything to develop. Simply complete the three tasks below to get started.

1. Passenger Facility Charge Reporting and Remittance Agreement

Airline Clearing House (ACH) membership is not required to participate in PFC Settlements.

To participate in PFC Settlements, execute two originals of the Passengers Facility Charge Reporting and Remittance Agreement and send them to:

Airlines Clearing House, Inc.
Attention: PFC Settlements
1275 Pennsylvania Avenue, N.W., Suite 1300
Washington, D.C. 20004

Or, scan and send to ACH@airlines.org

A countersigned Passengers Facility Charge Reporting and Remittance Agreement will be returned to you.

2. U.S. Bank Account

Participation in PFC Settlements requires that all participants maintain a bank account at U.S. Bank. It is recommended that participants maintain a \$1,000 minimum balance in their U.S. Bank Account. Participants work directly with U.S. Bank personnel to establish the bank account and related services.

As an added benefit, U.S. Bank has agreed to charge PFC Settlements' participants no more than the agreed to prices for many of the most commonly used services until October 2021.

3. PFC Settlements Application Forms

Complete the PFC Settlements Application Forms to establish access to the PFC Settlements secure online application for your users and provide ACH with your contact information.

Activation

ACH will notify you when all documents have been received and U.S. Bank advises us that your account is open and available for use.

General Questions

Once I sign the Agreement, how long until I can participate in PFC Settlements?

Answer: As long as we receive notification from U.S. Bank that your account has been opened, PFC Settlements can occur within a few days.

How will other PFC Settlement participants know that I've joined?

Answer: ACH will notify all PFC Settlement participants each time a new participant has joined. The notification will include the effective sales period for the new participant. Additionally, pfcsettlements.com will be updated with the new participant information as well as the PFC Settlements System.

What happens if someone doesn't pay?

Answer: ACH provides numerous reminders to debtors to prevent that type of situation. In the unlikely event a debtor does not remit sufficient funds to its U.S. Bank account to satisfy its indebtedness amount, all payments from that debtor will be excluded from that settlement. However, if the debtor remits payment no later than 12:00 Noon, local time in New York City of the next business day, ACH may authorize U.S. Bank to perform a supplemental settlement to include payments from the delinquent participant.

How do I adjust an amount from a closed sales period?

Answer: Provided the settlement for that sales period has not occurred, contact ACH by email at ACH@airlines.org or by phone at 202-626-4144. If the settlement has occurred, you must work directly with the other participant(s) to determine a solution.

What about future enhancements?

Answer: A PFC Settlement Advisory Board, consisting of representatives from participating airlines and airports, will be formed. The Board will play an important role in helping ACH determine the need and benefit of enhancements to the system.

Is this mandatory?

Answer: No. PFC Settlements is an optional service open to all airlines and PFC authorized airports.

Airlines

I only have refunds for a participating airport, can I submit that amount for settlement?

Answer: No. PFC Settlements is a remittance system, and is not intended to handle negative remittances.

I'm already an ACH Participant, how is this different from my ACH Settlements?

Answer: SIS is not utilized, as there are no invoices. If you already have a user ID for CARC (the ACH Claims and Reports Center) you will use that same ID for PFC Settlements. ACH settlements will continue to be processed four times each month, whereas PFC Settlements are processed on a monthly basis only.

What happens if I need assistance during an audit?

Answer: We're here to help. Your auditors may contact us at ACH@airlines.org for verification of amounts.

Airports

I'm a Non-Participating Airport. Why did I receive a check from you?

Answer: PFC Settlements aggregates payments from all participating airlines and sends you the single check you received. Contact us at ACH@airlines.org to learn more about the benefits of becoming a PFC Settlement Participant.

Where did you obtain the addresses to send checks to?

Answer: Addresses are those contained in the PFC Remittance Directory as provided by Airlines for America until notified otherwise by the respective Airport.
Did we get one wrong? Please email ACH@airlines.org and we will correct it.

Does this new system eliminate the quarterly reports submitted by airlines?

Answer: No. The PFC Settlements system is focused on streamlining payments. Airlines are still required to generate and send quarterly reports in accordance with Federal Regulations.

Will the PFC Settlement Service enable the Participants to comply with the Code of Federal Regulations-14 CFR Part 158-Passenger Facility Charges?

Answer: Yes, the PFC Settlement Service is intended to enable the Participants to comply with the Code of Federal Regulations-14 CFR Part 158-Passenger Facility Charges.

I have a question not listed here, what do I do?

Answer: Contact us by email at ACH@airlines.org or by phone at 202-626-4144. We are available to answer your questions.

U.S. Bank

Why do I have to open an account with U.S. Bank?

Answer: ACH Partners with U.S. Bank to preform the settlements through a proprietary solution that requires all Participants to use their U.S. Bank Accounts for the PFC Settlements.

Can I instruct U.S. Bank to automatically transfer my creditor funds to my operating account elsewhere?

Answer: Yes. U.S. Bank will work with you to determine the best options for establishing your automated standing transfer order.

I already have a U.S. Bank account, am I required to establish a new one for use in PFC Settlements?

Answer: No, provided the account was opened under the Airlines Clearing House relationship.

2. Participation in PFC Settlements.

(a) Airline Participants. If the Subscribing Participant is an Airline Participant –

(i) On a monthly basis or at such other intervals as may hereafter be required under FAA regulations, the Subscribing Participant will report and remit to each Airport Authority (other than any Airport Authority that the Subscribing Participant has identified as a Designated Airport Authority), through PFC Settlements, the aggregate amount of PFCs that the Subscribing Participant has collected for such Airport Authority, net of collection compensation (as authorized in 14 C.F.R. § 158.51), refunds and other credits permitted under applicable law (collectively, “Permitted Deductions”). The Subscribing Participant will receive on-line access to monthly and quarterly reports of collected PFCs and Permitted Deductions as provided in paragraphs 3(a)(iii) and 3(b)(iii) of this Agreement and in the PFC Settlement Regulations

(ii) The Subscribing Participant may elect not to utilize PFC Settlements for purposes of reporting and remitting PFCs to a specific Airport Authority by issuing a Designation Notice informing the Clearing House that the Subscribing Participant has elected not to utilize PFC Settlements for purposes of reporting and remitting PFCs to that Airport Authority (a “Designated Airport Authority”). If the Designated Airport Authority is an Airport Participant, the Subscribing Participant shall send a copy of its Designation Notice to the Designated Airport Authority. The election provided for in such a Designation Notice shall apply to PFC Settlements commencing with the first PFC Settlement that is scheduled to occur at least sixty (60) days after delivery of the Designation Notice, except that in the case of a Designation Notice that is delivered concurrently with the Subscribing Participant’s execution and delivery of this Agreement, the election provided for in the Designation Notice shall apply immediately. The Subscribing Participant may revoke a Designation Notice at any time by written notice to the Clearing House (with a copy to the Designated Airport Authority if it is an Airport Participant), such revocation to take effect commencing with the first PFC Settlement that is scheduled to occur at least sixty (60) days after delivery of the notice of revocation.

(iii) If as of 2:00 PM local time in New York City on the date of any scheduled PFC Settlement, the funds available for withdrawal from the Subscribing Participant’s PFC Clearing Account are insufficient to cover its net remittance obligations in such PFC Settlement, the Clearing House and the Clearing Bank will exclude from such settlement any and all PFC remittances (and Permitted Deductions) that otherwise would be included in determining the net remittance obligation of the Subscribing Participant (a “Delinquent PFC Settlement Participant”).

(iv) If as of 12:00 noon, local time in New York City on the next business day after a scheduled PFC Settlement from which its PFC remittances and/or Permitted Deductions have been excluded pursuant to paragraph 2(a)(iii), the Subscribing Participant (as a Delinquent PFC Settlement Participant) has made available in its PFC Clearing Account amounts sufficient to cover its net remittance obligations in such PFC Settlement and has so notified the Clearing House, the Clearing House shall arrange for the Clearing Bank to conduct an unscheduled supplemental settlement to clear such remittance obligations.

(v) If the Subscribing Participant, as a Delinquent PFC Settlement Participant, has not made sufficient funds available and so notified the Clearing House, by 12:00 noon, local time in New York City on the next business day after a scheduled PFC Settlement from which its PFC remittances (and Permitted Deductions) have been excluded pursuant to paragraph 2(a)(iii), the Subscribing Participant thereafter shall be precluded from clearing such PFC remittances (and Permitted Deductions) through any PFC Settlement.

The election provided for in such a Designation Notice shall apply to PFC Settlements commencing with the first PFC Settlement that is scheduled to occur at least sixty (60) days after delivery of the Designation Notice, except that in the case of a Designation Notice that is delivered concurrently with the Subscribing Participant's execution and delivery of this Agreement, the election provided for in the Designation Notice shall apply immediately. (d) PFC Remittance Reports and PFC Settlement Reports pertaining to PFC remittances by the Subscribing Participant (if the Subscribing Participant is an Airline Participant) to any Airport Authority and the data contained in such reports shall be accessible only to the Subscribing Participant and such Airport Authority, to the Clearing House and to the Clearing Bank, and such reports and information shall under no circumstances be available to any other PFC Settlement Participant or Airport Authority.

4. PFC Settlement Fees. As compensation to the Clearing House for conducting PFC Settlements, the Subscribing Participant shall pay to the Clearing House the PFC settlement fees set forth in the fee schedule that is (i) appended to this Agreement, or (ii) following any modification of such fee schedule, set forth in the PFC Settlement Regulations. The Subscribing Participant also shall pay any applicable maintenance, service, or other account fees charged from time to time by the Clearing Bank. Fees payable to the Clearing House shall be included in PFC Settlement Reports and paid through PFC Settlements.

5. PFC Settlement Advisory Board.

(a) A PFC Settlements advisory board (the "Advisory Board") will meet at least semi-annually (a) to evaluate the functioning of PFC Settlements as a cost-effective, centralized process for reporting and remitting PFCs; (b) to consult with the Clearing House (and with the Clearing Bank, as appropriate) on operational and cost issues (including proposed changes in PFC settlement fees) and any proposed enhancements; and (c) to consider any proposed amendment of the PFC Settlement Regulations proposed by an Advisory Board member.

(b) No later than June 30, 2017 the Clearing House will organize and convene the first meeting of the Advisory Board, which will consist initially of the Secretary-Treasurer of the Clearing House and five (5) representatives chosen by Airline Participants. The number of seats on the Advisory Board will increase as and when Airport Authorities become Airport Participants. For every five (5) Airport Authorities that become Airport Participants, up to a maximum of twenty-five (25) Airport Participants, Airport Participants will be entitled to choose one Advisory Board representative, so that after there are twenty-five (25) Airport Participants the Advisory Board will be comprised of the Secretary-Treasurer of the Clearing House, five (5) representatives chosen by Airline Participants and five (5) representatives chosen by Airport Participants. No Airline Participant or Airport Participant or group of affiliated Airline Participants or Airport Participants will be permitted to have more than one representative on the Advisory Board.

PFC Regulations

1. Objectives of PFC Settlements; Function of PFC Settlements Regulations; PFC Settlements Handbook

PFC Settlements managed under the auspices of Airlines Clearing House, Inc. (the “**Clearing House**”) offers a cost-effective, standardized and centralized process for reporting and remittance of approved passenger facility charges (as more fully defined in sub-paragraph 1.2.3 below, “**PFCs**”) payable by air carriers to airports throughout the United States. Air carriers and airports that have agreed to participate in PFC Settlements are parties to the Passenger Facility Charge Reporting and Remittance Agreement (as more fully defined in sub-paragraph 1.2.4 below the “**PFC Settlement Agreement**”). These PFC Settlement Regulations supplement and implement the PFC Settlement Agreement by addressing operational and technical matters in a manner that will permit prompt revision and updating. Background information and additional details concerning the PFC Settlements System are contained in the User Guide Section of the PFC Settlements Handbook available on the PFC Settlements Website.

1.1 Relationship to PFC Settlement Agreement

2. Participants in PFC Settlements: PFC Settlement Participant Roster

In conformity with Paragraph 3 (b)(v) of the PFC Settlement Agreement, the Clearing House maintains a listing (the "PFC Settlement Participant Roster") of all Airline Participants and Airport Participants that have become parties to the PFC Settlement Agreement. Additionally, it shall also include a listing of other Airports that are authorized to receive PFC remittances through PFC Settlements. The PFC Settlement Participant Roster is available for inspection on the PFC Settlements Website (www.pfcsettlements.com) maintained by the Clearing House.

The PFC Settlement Participant Roster includes for each PFC Settlement Participant:

Name and identification code of such PFC Settlement Participant (as described below), the current office address, e-mail address and phone number for the party to whom any notices to such PFC Settlement Participant should be directed.

Until and unless a PFC Settlement Participant requests otherwise, by written notice to the Clearing House, the notice/contact information for such PFC Settlement Participant, specified in the PFC Settlement Participant Roster, will be the information provided by the PFC Settlement Participant in its PFC Settlement Agreement.

Airports who have not chosen to become a PFC Settlement Participant will be listed in the PFC Settlement Participant Roster. Such listing will also contain the address at which PFC Remittance checks will be mailed. Addresses are those contained in the PFC Remittance Directory as provided by Airlines for America until notified otherwise by the respective Airport.

The Clearing Bank will debit the PFC Clearing Accounts of the Airline Participants that have net PFC remittance obligations and credit the PFC Clearing Accounts of the Airport Participants to which net PFC remittances are owed. Such net remittance amounts are shown in the applicable PFC Settlement Reports.

Amounts owed to Airport Authorities that have not chosen to become Airport Participants will be remitted by check, unless otherwise agreed among an Airport Authority, the Clearing House and the Clearing Bank. Any question regarding PFC remittance checks should be directed to:

Airlines Clearing House, Inc.

Washington, DC 20004

Phone: 202-626-4144

Each PFC remittance made by check will be accompanied by a check stub or other record identifying the Sales Period to which the remittance relates, listing the name and remittance amount for each Airline Participant for which a remittance is included in the total amount of the check.

PFC remittances for each month that are issued by check will be mailed via USPS first class mail, on the date specified in the PFC Settlements Calendar, to the Airport Authority at the address contained in the PFC Settlement Participant Roster.

4. PFC Remittance Reports

An Airline Participant's PFC Remittance Report for each Sales Period for which it has PFC activity will contain the aggregate amount of PFCs to be reported, net of Permitted Deductions, to each Airport Authority to which any payments will be due with respect to that period. PFC Remittance Reports for each Sales Period must be submitted no later than the System Closure Date and time shown for such Sales Period in the PFC Settlements Calendar. Detailed information concerning the data elements and format for PFC Remittance Reports is contained in the User Guide Section of the PFC Settlements Handbook.

If, for any Airport Authority, the Permitted Deductions that an Airline Participant would be authorized to report and recover for any Sales Period exceed the aggregate amount of PFCs to be reported and remitted to such Airport Authority for the same period, the Airline Participant may report only the portion of the Permitted Deductions that can be set off currently against PFCs (without prejudice to its right subsequently to report and recover the balance of such Permitted Deductions).

4.1 No Reported PFC Activity

In an Airline Participant that previously has submitted PFC Remittance Reports has not submitted a PFC Remittance Report for a Sales Period by 12:00 Noon, local time in New York City, on the System Closure Date for such Sales Period, the Clearing House will attempt to contact the Airline Participant to confirm that no PFC Remittance Report for such Sales Period will be forthcoming from the Airline Participant.

4.2 Changes after a Sales Period has Closed

Between the time that an Airline Participant submits a PFC Remittance Report for a Sales Period and the scheduled Settlement Date for such Sales Period, changes to such PFC Remittance Report can only be made by the Clearing House. An Airline Participant that wishes to make such a change must contact the Clearing House at 202-626-4144 or ach@airlines.org for assistance by no later than 12:00 Noon, local time in New York City, on the scheduled Settlement Date.

4.3 Quarterly Reporting

Commencing at such time as the Clearing House has notified all PFC Settlement Participants that quarterly reporting of PFCs is available through PFC Settlements, PFC Remittance Reports must contain, in addition to the other remittance amounts referred to in this Paragraph 5, for each Airport Authority, the total number of PFCs collected, the total dollar amount of PFCs collected, the total number of PFCs refunded, the total dollar amount of PFCs refunded and the total amount of collection compensation.

5. PFC Settlement Reports

For each Sales Period for which it has any reported PFC activity, each PFC Settlement Participant will receive a PFC Settlement Report containing (i) the applicable information summarized in Paragraph 5 (ii) any applicable PFC Settlements fees owed to the Clearing House; and (iii) the net amount owed to or owed by such PFC Settlement Participant for such Sales Period. The PFC Settlement Reports for each Sales Period will be made available on the Final Settlement Reports Date for such Sales Period, as specified in the PFC Settlements Calendar. Each PFC Settlement Participant will be able to access its PFC Settlement Report for any Sales Period on line through the PFC Settlements System for eleven (11) months following the Settlement Date for such Sales Period. Thereafter, a PFC Settlement Participant may, at any time within seven (7) years following the Settlement Date for a Sales Period, obtain its PFC Settlement Report for such Sales Period by sending a request to the Clearing House by email to ach@airlines.org.

5.1 Airport Participants

The PFC Settlement Report for each Airport Participant will contain the remittance amounts, net of Permitted Deductions, reported for the applicable Sales Period for such Airport Participant (and for each commercial service airport operated by an Airport participant that operates more than one such airport) by each Airline Participant.

5.2 Airline Participants

The PFC Settlement Report for each Airline Participant will contain the remittance amounts, net of Permitted Deductions, reported for the applicable Sales Period by such Airline Participant for each Airport (and for each commercial service airport operated by an Airport participant that operates more than one such airport).

6. PFC Settlements Calendar

Such notification shall be sent via e-mail to the representative(s) of each PFC Settlement Participant who is designated under Paragraph 14 of these PFC Settlement Regulations to receive notices.

PFC Settlement Participants may notify the Clearing House at ach@airlines.org of any changes to its designated representative(s).

7.2 Creditors

No later than 5:00 p.m. local time in New York City, on each Settlement Date, the Clearing Bank will credit the PFC Clearing Account of each Airport Participant with the aggregate PFC remittance amount shown on the Airport Participant's PFC Settlement Report for the related Sales Period.

7.3 Debtors

Each Airline Participant whose PFC Settlement Report for a Sales Period shows that it owes a net remittance amount must ensure that funds at least sufficient to pay that amount, are available in its PFC Clearing Account by no later than 2:00 p.m. local time in New York City on the Settlement Date for such Sales Period specified in the PFC Settlements Calendar.

7.4 Debtors Funds Not Made Available

In the event funds are not available from a debtor, a Delinquent PFC Settlement Participant, by the date and time specified in the PFC Settlements Calendar, all transactions for that Sales Period, involving such Delinquent PFC Settlement Participant, shall be excluded from the PFC Settlement.

Clearing House shall notify all affected PFC Settlement Participants of such exclusion.

Settlement Reports shall be revised to exclude all amounts due or from such Delinquent PFC Settlement Participant.

7.5 Debtor Funds Made Available After Deadline

If the debtor makes funds available to satisfy all amounts due, including applicable penalties as specified in Paragraph 8.8, on or before 12:00 noon, local time in New York City, on the next business day following the scheduled PFC Settlement Date and so notifies the Clearing House, the Clearing House shall arrange for the Clearing Bank to conduct an unscheduled Supplemental Settlement to settle such remittance obligations.

Clearing House shall notify all affected PFC Settlement Participants of such Supplemental Settlement.

Settlement Reports shall be revised to include all amounts due or from such previously Delinquent PFC Settlement Participant.

7.6 Debtor Funds Not Made Available Before 12:00 Noon Next Business Day

If the Delinquent PFC Settlement Participant has not made sufficient funds available and so notified the Clearing House, by 12:00 noon, local time in New York City on the next business day following the scheduled PFC Settlement date, such PFC Settlement Participant shall be precluded from clearing such PFC remittances through any PFC Settlement.

7.7 Delinquent PFC Settlement Participants

If a PFC Settlement Participant becomes a Delinquent PFC Settlement Participant more than twice within a period of twelve (12) consecutive months, such PFC Settlement Participant shall automatically cease to be eligible to participate in further PFC Settlements.

A penalty in the amount of \$500 shall be assessed to a Delinquent PFC Settlement Participant. Such penalty shall be deducted from the PFC Clearing Account of the Delinquent PFC Settlement Participant by the Clearing Bank and paid to the Clearing House.
