

Pay Account Standards  
Board Update -

*PSC (Passenger  
Standards Conference)  
Restructure*

# IATA Governance

## Industry Committees:

Advise on subjects of significant interest  
Report to DG  
Policy Directives & Guidance  
Closed groups and proceedings

## Traffic Conferences:

Develop and adopt Standards  
Report directly to the General Meeting  
Members accredit a representative  
Open Groups, open proceedings

# PSC Restructure

- Industry Guidance (IATA BoG and Advisory Councils) to focus and support offers and orders and MAR (Modern Airline Retailing)
- Stronger, and agile standards governance to deliver the required standards focusing on offers and orders
- Many discussions between 5 Management Boards and PSC SG
- Resolution 009-Passenger Standards Governance Proposal
- PSC Ballot/Cycle 1\_2023-Proposal Approved

# Key Changes to Resolution 009

Combining payment standards with the Shop Order Standards Board

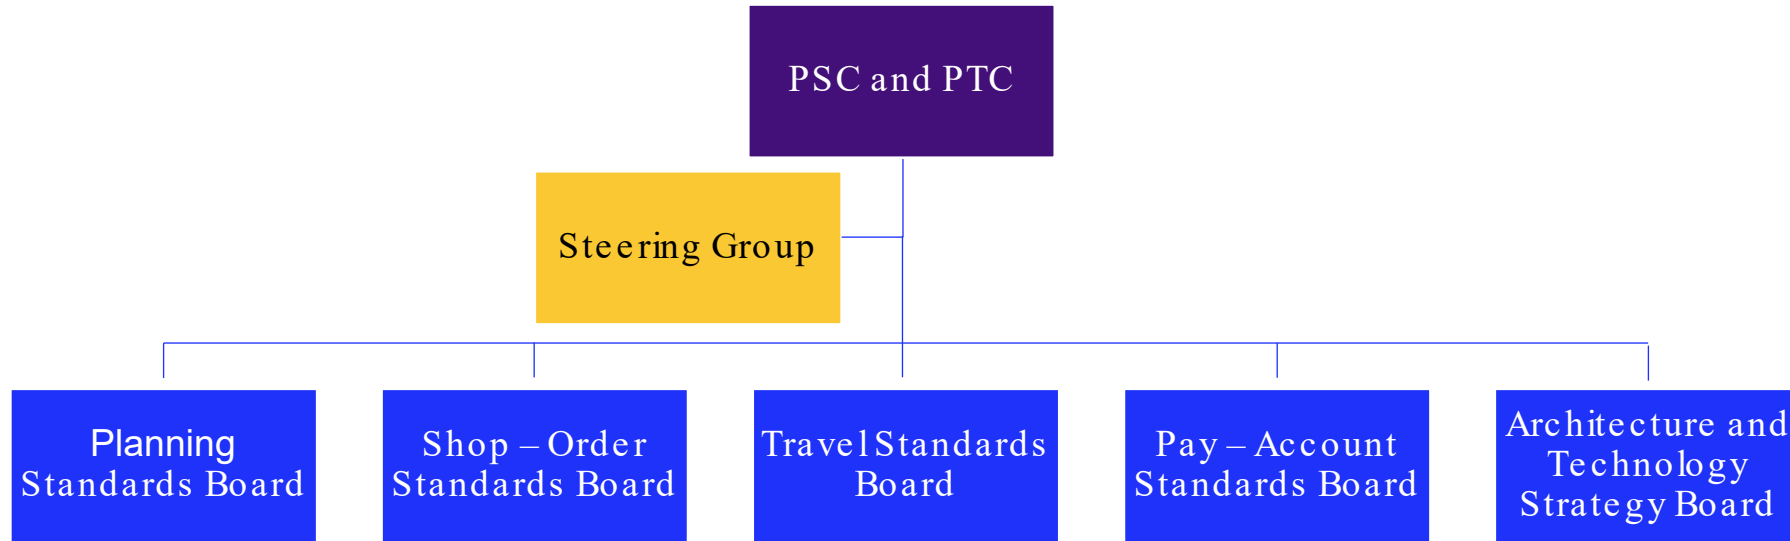

Greater collaboration across Boards

Working Groups focused solely on business requirements

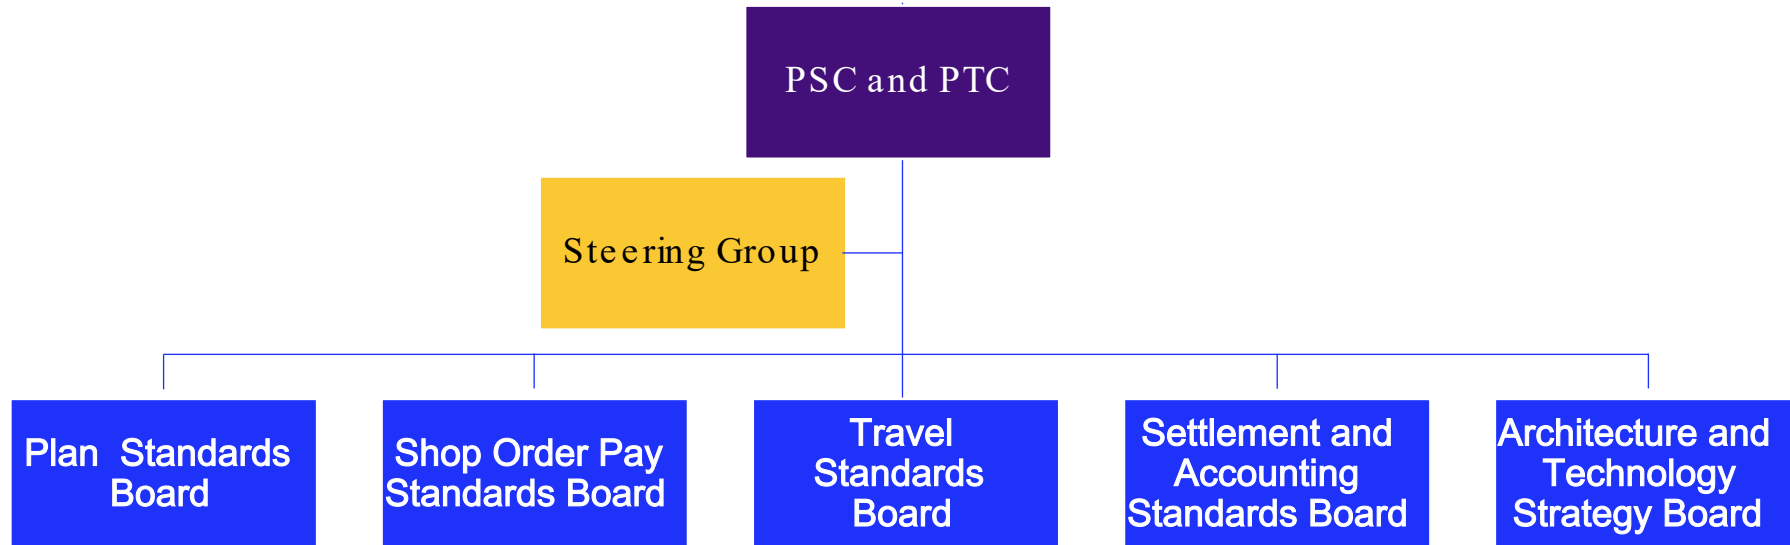

Technical Support Working Groups set up under each Board to support technology standards

# New Management Board Structure

Current

New
