Introduction to PFC Settlements

Thank you for your interest in PFC Settlements. PFC Settlements, a service provided by Airlines Clearing House (ACH), was created to streamline and simplify the PFC payment process between airlines and airports. PFC Settlements removes the need for airlines to send paper checks to airports and allows participating airports to receive their monthly PFC payments from airlines in a single aggregated deposit made directly into its U.S. Bank account. Non participating airports receive a single check for the total amount due from all participating airlines.

ACH participation is not required to enjoy the benefits of PFC Settlements. All airlines and PFC authorized airports are eligible to join.

This Handbook was designed to provide you with an overview of the PFC Settlements service and outline the steps you need to take in order to join. It also contains the PFC Settlement Agreement and Regulations; application for opening your U.S. Bank account; a User Guide to the PFC Settlements System; and a link to the Code of Federal Regulations for PFCs.

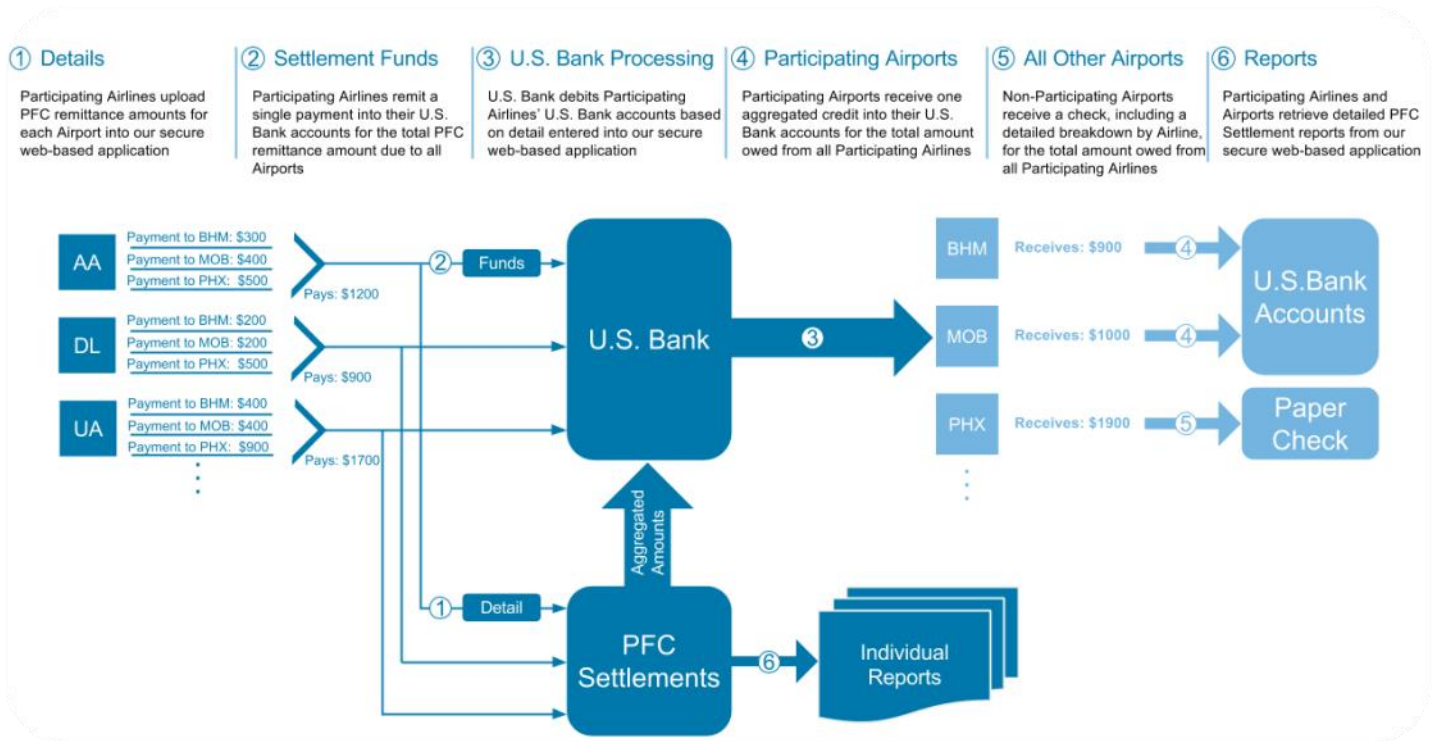

Overview of PFC Settlements Process

- **Details:** Monthly, and in accordance with predetermined due dates, participating airlines enter PFC payment¹ amounts due to all airports into a secure web-based application
 - Alternatively, amounts may be entered through a single file upload in .csv format
- **Settlement Funds:** On settlement day², each Airline deposits funds into its U.S. Bank account for its total amount due
- **U.S. Bank Processing:** U.S. Bank processes a single debit to each participating airline's U.S. Bank account, representing its total amount due for that sales period
- **Participating Airports:** Participating Airports' U.S. Bank accounts are credited for the total amount due to them
- **All Other Airports:** Non-participating airports receive a single check for the total amount due to them
- **Reports:** Participating airlines and airports have online access to detailed reports that provide a breakdown of the debit or credit amount. Non-participating airports receive a detailed report enclosed with the check that provides a breakdown of the amounts included for each airline
- **PFC payments:** Payment amounts are net of refunds and PFC collection compensation
- **Settlement day:** Usually the 24th of each month, but may be adjusted to accommodate weekends and holidays

Benefits

PFC Settlements allow airlines and airports to benefit from an efficient and inexpensive process that eliminates much of the administrative burden.

Participating Airports	Airlines
<ul style="list-style-type: none"> ✓ Quicker receipt of funds ✓ Eliminates processing of paper checks ✓ Eliminates risk of lost checks ✓ Provides single deposit directly into bank account ✓ Detailed reporting ✓ Low bank fees 	<ul style="list-style-type: none"> ✓ Reduced postage costs ✓ Eliminates cost of issuing paper checks ✓ Eliminate risk and headache of lost checks ✓ Single debit from bank account ✓ ACH is a known and trusted process ✓ Low bank fees ✓ All Airports included

U.S. Bank

All PFC Settlement participants are required to open and maintain a bank account⁴ with U.S. Bank for use with PFC Settlements.

ACH contracts with U.S. Bank to perform the settlement, using a proprietary netting solution, enabling participants to minimize costs by aggregating amounts and processing a single debit or credit to each participant's U.S. Bank Account for the total amount. Non-participating Airports receive a single check for the total amount.

To assist ACH with its function as facilitator of PFC Settlements, ACH has access to view current day balances of participants' U.S. Bank Accounts. This enables ACH to ensure that debtors have adequate funds in their accounts prior to effecting the PFC Settlement.

Example Check

Check Processing

Non-Participating Airports receive a single check for each sales period for the combined total of all PFC amounts due from Participating Airlines.

The check includes a breakdown by airline and amount, of the total amount of the check.

Checks are sent to the address contained in the Airlines for America PFC Remittance Directory.

ACH will actively investigate any unpaid check beginning 60 days after issuance.

Data related to checks is maintained by ACH for no less than seven years after issue.

New Participants

ACH notifies PFC Settlement participants each time a new participant joins the Service. Additionally, participants will be able to download a current listing of PFC Settlement participants from the website.

Airports will be assigned a unique code to be used in the settlements. The code will begin with the Airport's code, followed by XF (the tax code used for collection of PFCs).

Website

PFCSettlement.com contains valuable and up-to-date information on the service.

Settlement Reporting

PFC Settlements provides participants with detailed reporting for each settlement period, allowing each participant to reconcile the amount posted to its U.S. Bank Account. Reports are available in PDF or a .csv download.

Quarterly Reporting

Quarterly reports will be produced for each quarter and sent to the applicable Airport/Public Authority with copies emailed to the reporting Airline. Annual reports will also be produced from the quarterly reporting data, and sent to the applicable airport/public authority with copies emailed to the Reporting Airline

Reports will be sent to the Airports by no later than the last day of the reporting deadline dates:

First Quarter Reports sent by no later than April 30th

Second Quarter Reports sent by no later than July 31st

Third Quarter Reports sent by no later than October 31st

Fourth Quarter Reports sent by no later than January 31st

Annual Reports sent no later than January 31st

To participate, Airlines upload a file of their quarterly reporting data directly to the ACH SMART system, as detailed in the User Guide section of this document.

The file may be uploaded on a monthly or quarterly basis (containing three months of data). The upload deadlines are detailed in the PFC settlement calendar.

Airlines will benefit from no longer having to mail quarterly reports to each of the airports.

Airports will benefit from receiving a standard report format with multiple airlines' reports contained in one distribution. ACH will work with the airports to distribute the reports electronically via email attachment as a PDF.

Joining PFC Settlements

Joining PFC Settlements is easy. There are no start-up costs or anything to develop. Simply complete the three tasks below to get started.

1. Passenger Facility Charge Reporting and Remittance Agreement

Airline Clearing House (ACH) membership is not required to participate in PFC Settlements.

To participate in PFC Settlements, execute two originals of the Passengers Facility Charge Reporting and Remittance Agreement and send them to:

Airlines Clearing House, Inc.
Attention: PFC Settlements
1275 Pennsylvania Avenue, N.W., Suite 1300
Washington, D.C. 20004

Or, scan and send to ACH@airlines.org

A countersigned Passengers Facility Charge Reporting and Remittance Agreement will be returned to you.

2. U.S. Bank Account

Participation in PFC Settlements requires that all participants maintain a bank account at U.S. Bank. It is recommended that participants maintain a \$1,000 minimum balance in their U.S. Bank Account. Participants work directly with U.S. Bank personnel to establish the bank account and related services.

As an added benefit, U.S. Bank has agreed to charge PFC Settlements' participants no more than the agreed to prices for many of the most commonly used services until August 2026.

3. PFC Settlements Application Forms

Complete the PFC Settlements Application Forms to establish access to the ACH SMART application for your users and provide ACH with your contact information.

Activation

ACH will notify you when all documents have been received and U.S. Bank advises us that your account is open and available for use.

General Questions

Once I sign the Agreement, how long until I can participate in PFC Settlements?

Answer: As long as we receive notification from U.S. Bank that your account has been opened, PFC Settlements can occur within a few days.

How will other PFC Settlement participants know that I've joined?

Answer: ACH will notify all PFC Settlement participants each time a new participant has joined. The notification will include the effective sales period for the new participant. Additionally, pfcsettlement.com will be updated with the new participant information as well as the PFC Settlements System.

What happens if someone doesn't pay?

Answer: ACH provides numerous reminders to debtors to prevent that type of situation. In the unlikely event a debtor does not remit sufficient funds to its U.S. Bank account to satisfy its indebtedness amount, all payments from that debtor will be excluded from that settlement. However, if the debtor remits payment no later than 12:00 Noon, local time in New York City of the next business day, ACH may authorize U.S. Bank to perform a supplemental settlement to include payments from the delinquent participant.

How do I adjust an amount from a closed sales period?

Answer: Provided the settlement for that sales period has not occurred, contact ACH by email at ACH@airlines.org or by phone at 202-626-4144. If the settlement has occurred, you must work directly with the other participant(s) to determine a solution.

What about future enhancements?

Answer: A PFC Settlement Advisory Board, consisting of representatives from participating airlines and airports, will be formed. The Board will play an important role in helping ACH determine the need and benefit of enhancements to the system.

Is this mandatory?

Answer: No. PFC Settlements is an optional service open to all airlines and PFC authorized airports.

Airlines

I only have refunds for a participating airport, can I submit that amount for settlement?

Answer: No. PFC Settlements is a remittance system, and is not intended to handle negative remittances.

I'm already an ACH Participant, how is this different from my ACH Settlements?

Answer: SIS is not utilized, as there are no invoices. If you already have a user ID for SMART (the ACH Settlement Management and Reporting Tool) you will use that same ID for PFC Settlements. ACH settlements will continue to be processed four times each month, whereas PFC Settlements are processed on a monthly basis only.

What happens if I need assistance during an audit?

Answer: We're here to help. Your auditors may contact us at ACH@airlines.org for verification of amounts.

Airports

I'm a Non-Participating Airport. Why did I receive a check from you?

Answer: PFC Settlements aggregates payments from all participating airlines and sends you the single check you received. Contact us at ACH@airlines.org to learn more about the benefits of becoming a PFC Settlement Participant.

Where did you obtain the addresses to send checks to?

Answer: Addresses are those contained in the PFC Remittance Directory as provided by Airlines for America until notified otherwise by the respective Airport.
Did we get one wrong? Please email ACH@airlines.org and we will correct it.

Does this new system eliminate the quarterly reports submitted by airlines?

Answer: No. The PFC Settlements system is focused on streamlining payments. Airlines are still required to generate and send quarterly reports in accordance with Federal Regulations.

Will the PFC Settlement Service enable the Participants to comply with the Code of Federal Regulations-14 CFR Part 158-Passenger Facility Charges?

Answer: Yes, the PFC Settlement Service is intended to enable the Participants to comply with the Code of Federal Regulations-14 CFR Part 158-Passenger Facility Charges.

I have a question not listed here, what do I do?

Answer: Contact us by email at ACH@airlines.org or by phone at 202-626-4144. We are available to answer your questions.

U.S. Bank

Why do I have to open an account with U.S. Bank?

Answer: ACH Partners with U.S. Bank to perform the settlements through a proprietary solution that requires all Participants to use their U.S. Bank Accounts for the PFC Settlements.

Can I instruct U.S. Bank to automatically transfer my creditor funds to my operating account elsewhere?

Answer: Yes. U.S. Bank will work with you to determine the best options for establishing your automated standing transfer order.

I already have a U.S. Bank account, am I required to establish a new one for use in PFC Settlements?

Answer: No, provided the account was opened under the Airlines Clearing House relationship.

(i) On a monthly basis or at such other intervals as may hereafter be required under FAA regulations, the Subscribing Participant will report and remit to each Airport Authority (other than any Airport Authority that the Subscribing Participant has identified as a Designated Airport Authority), through PFC Settlements, the aggregate amount of PFCs that the Subscribing Participant has collected for such Airport Authority, net of collection compensation (as authorized in 14 C.F.R. § 158.51), refunds and other credits permitted under applicable law (collectively, "Permitted Deductions"). The Subscribing Participant may revoke a Designation Notice at any time by written notice to the Clearing House (with a copy to the Designated Airport Authority if it is an Airport Participant), such revocation to take effect commencing with the first PFC Settlement that is scheduled to occur at least sixty (60) days after delivery of the notice of revocation.

(iii) If as of 2:00 PM local time in New York City on the date of any scheduled PFC Settlement, the funds available for withdrawal from the Subscribing Participant's PFC Clearing Account are insufficient to cover its net remittance obligations in such PFC Settlement, the Clearing House and the Clearing Bank will exclude from such settlement any and all PFC remittances (and Permitted Deductions) that otherwise would be included in determining the net remittance obligation of the Subscribing Participant (a "Delinquent PFC Settlement Participant").

(iv) If as of 12:00 noon, local time in New York City on the next business day after a scheduled PFC Settlement from which its PFC remittances and/or Permitted Deductions have been excluded pursuant to paragraph 2(a)(iii), the Subscribing Participant (as a Delinquent PFC Settlement Participant) has made available in its PFC Clearing Account amounts sufficient to cover its net remittance obligations in such PFC Settlement and has so notified the Clearing House, the Clearing House shall arrange for the Clearing Bank to conduct an unscheduled supplemental settlement to clear such remittance obligations.

(v) If the Subscribing Participant, as a Delinquent PFC Settlement Participant, has not made sufficient funds available and so notified the Clearing House, by 12:00 noon, local time in New York City on the next business day after a scheduled PFC Settlement from which its PFC remittances (and Permitted Deductions) have been excluded pursuant to paragraph 2(a)(iii), the Subscribing Participant thereafter shall be precluded from clearing such PFC remittances (and Permitted Deductions) through any PFC Settlement.

(vi) If the Clearing Bank conducts an unscheduled supplemental settlement to clear remittance obligations of the Subscribing Participant (as a Delinquent PFC Settlement Participant), the Subscribing Participant shall pay the Clearing House the supplemental settlement fee specified in the PFC Settlement Regulations. The amount of such fee shall be subject to increase, as provided in the PFC Settlement Regulations, if the Subscribing Participant becomes a Delinquent PFC Settlement Participant more than once within a period of twelve (12) consecutive months.

(vii) If the Subscribing Participant becomes a Delinquent PFC Settlement Participant more than twice within a period of twelve (12) consecutive months, the Subscribing Participant shall automatically cease to be eligible to participate in further PFC Settlements, and this Agreement shall automatically terminate.

(b) Airport Participants. If the Subscribing Participant is an Airport Participant –

(i) The Subscribing Participant will receive Airline Participants' PFC remittances (net of Permitted Deductions) directly in its PFC Clearing Account through the PFC Settlements conducted by the Clearing House and the Clearing Bank and will receive on-line access to related monthly and quarterly reports of collected PFCs and Permitted Deductions as provided in paragraphs 3(a)(iv) and 3(b)(iii) of this Agreement and in the PFC Settlement Regulations.

(ii) The Subscribing Participant may elect not to utilize PFC Settlements for purposes of receiving PFC remittances and reports from a specific Airline Participant by issuing a Designation Notice informing the Clearing House, with a copy to the Airline Participant, that the Subscribing Participant has elected not to utilize PFC Settlements for purposes of receiving PFC remittances and reports from that Airline Participant (a "Designated Airline Participant"). The election provided for in such a Designation Notice shall apply to PFC Settlements commencing with the first PFC Settlement that is scheduled to occur at least sixty (60) days after delivery of the Designation Notice, except that in the case of a Designation Notice that is delivered concurrently with the Subscribing Participant's execution and delivery of this Agreement, the election provided for in the Designation Notice shall apply immediately. The Subscribing Participant may revoke a Designation Notice at any time by written notice to the Clearing House, with a copy to the Designated Airline Participant, such revocation to take effect commencing with the first PFC Settlement that is scheduled to occur at least sixty (60) days after delivery of the notice of revocation.

(c) Terms Applicable to All PFC Settlement Participants.

(i) The Subscribing Participant (whether it is an Airline Participant or an Airport Participant) shall establish and maintain at the Clearing Bank a dedicated clearing account (a "PFC Clearing Account") for purposes of making and/or receiving PFC remittances. If the Subscribing Participant is an Airline Participant and maintains a clearing account at the Clearing Bank for purposes of ACH Settlements or other recurring airline industry settlements (an "Airline Settlement Clearing Account"), the Subscribing Participant may, unless it becomes a "covered air carrier" as defined in 14 C.F.R. § 158.3, use such Airline Settlement Clearing Account as its PFC Clearing Account;

(ii) Prior to the deposit deadline for each PFC Settlement, as specified in the PFC Settlement Regulations, the Subscribing Participant shall make available in its PFC Clearing Account amounts sufficient to fund its net remittance obligations for such PFC Settlement, as reported by the Clearing House and the Clearing Bank;

(iii) The Subscribing Participant shall execute and deliver to the Clearing Bank such account documentation as it may reasonably require from time to time, including documentation confirming the Clearing Bank's authority to withdraw net remittance amounts from, or deposit such amounts to, the Subscribing Participant's PFC Clearing Account for purposes of effecting PFC Settlements;

(iv) The Subscribing Participant shall utilize and observe and comply with data formats, settlement timetables, security procedures and other rules and procedures governing participation in and implementation of PFC Settlements set forth in the PFC Settlement Regulations;

(v) Commencing at such time as the Clearing House has notified PFC Settlement Participants that quarterly reporting of PFCs and related information, as provided for under 14 C.F.R. § 158.63 and/or §158.65, is available through PFC Settlements, the Subscribing Participant shall report the required information in compliance with the PFC Settlement Regulations; and

(vi) The Subscribing Participant hereby designates and appoints the Clearing House as its agent, and authorizes the Clearing House to delegate to the Clearing Bank as its sub-agent, to perform the functions described in paragraph 3(a).

3. Clearing House/Clearing Bank Functions.

- (a) In connection with each PFC Settlement, the Clearing House shall, through the Clearing Bank:

In the case of an Airport Authority that is an Airport Participant, such settlement reports will be provided on line; and

- (b) The Clearing House also will –
- (i) Arrange for the Clearing Bank, subject to receipt of customary account documentation and payment of applicable account fees, to establish and maintain a PFC Clearing Account for any PFC Settlement Participant that does not maintain an Airline Settlement Clearing Account;
 - (ii) Maintain with the Clearing Bank a dedicated concentration/disbursement account in which PFC remittances received from Airline Participants will be held pending disbursement to Airport Authorities that are not Airport Participants;

 - (iv) Retain records of each PFC Settlement for not less than seven (7) years and make such records directly accessible to PFC Settlement Participants through the PFC Settlement website for not less than eleven (11) months after the date of such PFC Settlement; and
 - (v) Maintain on its PFC Settlement website, or otherwise make readily accessible to PFC Settlement Participants at all times, (A) the PFC Settlement Regulations, and (B) listings of all Participating Airlines and all Participating Airports.

- (c) Details regarding the timing of PFC Settlements, the form, manner and timing of submission of PFC Remittance Reports, the preparation and availability of the settlement reports referred to in paragraphs 3 (a)(iii) and (iv) above (collectively, "PFC Settlement Reports") and withdrawal of settlement amounts from, and deposit of such amounts to, PFC Settlement Participants' Clearing Accounts are set forth in the PFC Settlement Regulations.
- (d) PFC Remittance Reports and PFC Settlement Reports pertaining to PFC remittances by the Subscribing Participant (if the Subscribing Participant is an Airline Participant) to any Airport Authority and the data contained in such reports shall be accessible only to the Subscribing Participant and such Airport Authority, to the Clearing House and to the Clearing Bank, and such reports and information shall under no circumstances be available to any other PFC Settlement Participant or Airport Authority.

4. PFC Settlement Fees.

As compensation to the Clearing House for conducting PFC Settlements, the Subscribing Participant shall pay to the Clearing House the PFC settlement fees set forth in the fee schedule that is (i) appended to this Agreement, or (ii) following any modification of such fee schedule, set forth in the PFC Settlement Regulations. Commencing no earlier than January 1, 2018 the Clearing House may modify the fee schedule, effective upon not less than three (3) months' prior written notice to the Subscribing Participant (and all other PFC Settlement Participants); provided, however, that fees may not be increased more than once in any twelve-month period. The Subscribing Participant also shall pay any applicable maintenance, service, or other account fees charged from time to time by the Clearing Bank. Fees payable to the Clearing House shall be included in PFC Settlement Reports and paid through PFC Settlements.

5. PFC Settlement Advisory Board.

- (a) A PFC Settlements advisory board (the "Advisory Board") will meet at least semi-annually (a) to evaluate the functioning of PFC Settlements as a cost-effective, centralized process for reporting and remitting PFCs; (b) to consult with the Clearing House (and with the Clearing Bank, as appropriate) on operational and cost issues (including proposed changes in PFC settlement fees) and any proposed enhancements; and (c) to consider any proposed amendment of the PFC Settlement Regulations proposed by an Advisory Board member.
- (b) No later than June 30, 2017 the Clearing House will organize and convene the first meeting of the Advisory Board, which will consist initially of the Secretary-Treasurer of the Clearing House and five (5) representatives chosen by Airline Participants. The number of seats on the Advisory Board will increase as and when Airport Authorities become Airport Participants. For every five (5) Airport Authorities that become Airport Participants, up to a maximum of twenty-five (25) Airport Participants, Airport Participants will be entitled to choose one Advisory Board representative, so that after there are twenty-five (25) Airport Participants the Advisory Board will be comprised of the Secretary-Treasurer of the Clearing House, five (5) representatives chosen by Airline Participants and five (5) representatives chosen by Airport Participants. No Airline Participant or Airport Participant or group of affiliated Airline Participants or Airport Participants will be permitted to have more than one representative on the Advisory Board.
- (c) Rules governing election of Advisory Board members and conduct of Advisory Board meetings will be set out in by-laws (the "Advisory Board By-Laws") developed by the Clearing House and subject to approval by the Advisory Board at its first meeting. The Advisory Board By-Laws will be subject to amendment by two-thirds (2/3) vote of the members of the Advisory Board, with the approval of the Board of Directors of the Clearing House. The Advisory Board By-Laws, together with a listing of the members of the Advisory Board (which shall be updated periodically by the Clearing House) will be made available to PFC Settlement Participants on the PFC Settlement website or as otherwise provided in the PFC Settlement Regulations.

- (c) Severability. In the event that any of the provisions of this Agreement or the PFC Settlement Regulations, or the application thereof to any party or circumstances, shall be finally determined by a court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Agreement and the PFC Settlement Regulations, or the application of such provision to the parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforced to the full extent permitted by law.
- (d) Notices. All notices and other communications required or permitted to be given, served, or sent to the Subscribing Participant or to the Clearing House shall be given as provided in the PFC Settlement Regulations.

PFC remittances for each month that are issued by check will be mailed via USPS first class mail, on the date specified in the PFC Settlements Calendar, to the Airport Authority at the address contained in the PFC Settlement Participant Roster.

4. PFC Remittance Reports

An Airline Participant's PFC Remittance Report for each Sales Period for which it has PFC activity will contain the aggregate amount of PFCs to be reported, net of Permitted Deductions, to each Airport Authority to which any payments will be due with respect to that period. PFC Remittance Reports for each Sales Period must be submitted no later than the System Closure Date and time shown for such Sales Period in the PFC Settlements Calendar. Detailed information concerning the data elements and format for PFC Remittance Reports is contained in the User Guide Section of the PFC Settlements Handbook.

If, for any Airport Authority, the Permitted Deductions that an Airline Participant would be authorized to report and recover for any Sales Period exceed the aggregate amount of PFCs to be reported and remitted to such Airport Authority for the same period, the Airline Participant may report only the portion of the Permitted Deductions that can be set off currently against PFCs (without prejudice to its right subsequently to report and recover the balance of such Permitted Deductions).

4.1 No Reported PFC Activity

In an Airline Participant that previously has submitted PFC Remittance Reports has not submitted a PFC Remittance Report for a Sales Period by 12:00 Noon, local time in New York City, on the System Closure Date for such Sales Period, the Clearing House will attempt to contact the Airline Participant to confirm that no PFC Remittance Report for such Sales Period will be forthcoming from the Airline Participant.

4.2 Changes after a Sales Period has Closed

Between the time that an Airline Participant submits a PFC Remittance Report for a Sales Period and the scheduled Settlement Date for such Sales Period, changes to such PFC Remittance Report can only be made by the Clearing House. An Airline Participant that wishes to make such a change must contact the Clearing House at 202-626-4144 or ach@airlines.org for assistance by no later than 12:00 Noon, local time in New York City, on the scheduled Settlement Date.

4.3 Quarterly Reporting

Commencing at such time as the Clearing House has notified all PFC Settlement Participants that quarterly reporting of PFCs is available through PFC Settlements, PFC Remittance Reports must contain, in addition to the other remittance amounts referred to in this Paragraph 5, for each Airport Authority, the total number of PFCs collected, the total dollar amount of PFCs collected, the total number of PFCs refunded, the total dollar amount of PFCs refunded and the total amount of collection compensation.

5. PFC Settlement Reports

For each Sales Period for which it has any reported PFC activity, each PFC Settlement Participant will receive a PFC Settlement Report containing (i) the applicable information summarized in Paragraph 5 (ii) any applicable PFC Settlements fees owed to the Clearing House; and (iii) the net amount owed to or owed by such PFC Settlement Participant for such Sales Period. The PFC Settlement Reports for each Sales Period will be made available on the Final Settlement Reports Date for such Sales Period, as specified in the PFC Settlements Calendar. Each PFC Settlement Participant will be able to access its PFC Settlement Report for any Sales Period on line through the PFC Settlements System for eleven (11) months following the Settlement Date for such Sales Period. Thereafter, a PFC Settlement Participant may, at any time within seven (7) years following the Settlement Date for a Sales Period, obtain its PFC Settlement Report for such Sales Period by sending a request to the Clearing House by email to ach@airlines.org.

5.1 Airport Participants

The PFC Settlement Report for each Airport Participant will contain the remittance amounts, net of Permitted Deductions, reported for the applicable Sales Period for such Airport Participant (and for each commercial service airport operated by an Airport participant that operates more than one such airport) by each Airline Participant.

5.2 Airline Participants

The PFC Settlement Report for each Airline Participant will contain the remittance amounts, net of Permitted Deductions,

6. PFC Settlements Calendar

The PFC Settlements Calendar specifies the deadline dates and times for the monthly PFC Settlements during each calendar year. Such notification shall be sent via e-mail to the representative(s) of each PFC Settlement Participant who is designated under Paragraph 14 of these PFC Settlement Regulations to receive notices.

PFC Settlement Participants may notify the Clearing House at ach@airlines.org of any changes to its designated representative(s).

7.2 Creditors

No later than 5:00 p.m. local time in New York City, on each Settlement Date, the Clearing Bank will credit the PFC Clearing Account of each Airport Participant with the aggregate PFC remittance amount shown on the Airport Participant's PFC Settlement Report for the related Sales Period.

7.3 Debtors

Each Airline Participant whose PFC Settlement Report for a Sales Period shows that it owes a net remittance amount must ensure that funds at least sufficient to pay that amount, are available in its PFC Clearing Account by no later than 2:00 p.m. local time in New York City on the Settlement Date for such Sales Period specified in the PFC Settlements Calendar. Airline Participants are strongly encouraged to fund their net remittance amount by 12:00 noon local time in New York City to ensure prompt settlement processing.

7.4 Debtors Funds Not Made Available

In the event funds are not available from a debtor, a Delinquent PFC Settlement Participant, by the date and time specified in the PFC Settlements Calendar, all transactions for that Sales Period, involving such Delinquent PFC Settlement Participant, shall be excluded from the PFC Settlement.

Clearing House shall notify all affected PFC Settlement Participants of such exclusion. Settlement Reports shall be revised to exclude all amounts due or from such Delinquent PFC Settlement Participant.

7.5 Debtor Funds Made Available After Deadline

If the debtor makes funds available to satisfy all amounts due, including applicable penalties as specified in Paragraph 7.8, on or before 12:00 noon, local time in New York City, on the next business day following the scheduled PFC Settlement Date and so notifies the Clearing House, the Clearing House shall arrange for the Clearing Bank to conduct an unscheduled Supplemental Settlement to settle such remittance obligations.

Clearing House shall notify all affected PFC Settlement Participants of such Supplemental Settlement. Settlement Reports shall be revised to include all amounts due or from such previously Delinquent PFC Settlement Participant.

7.7 Delinquent PFC Settlement Participants

If a PFC Settlement Participant becomes a Delinquent PFC Settlement Participant more than twice within a period of twelve (12) consecutive months, such PFC Settlement Participant shall automatically cease to be eligible to participate in further PFC Settlements.

7.8 Penalties

A penalty in the amount of \$2,500 shall be assessed to a Delinquent PFC Settlement Participant in the event a Supplemental Settlement has been processed on their behalf. Such penalty shall be deducted from the PFC Clearing Account of the Delinquent PFC Settlement Participant by the Clearing Bank and paid to the Clearing House.

12. Disaster Recovery: Business Continuity

Purpose

The purpose of this section is to outline the Clearing House response to potential disruptions that could adversely impact our operations, particularly the processing of settlements through the Clearing Bank and our system provider partner. The aim is to ensure the uninterrupted performance of essential business processes and maintain the delivery of services to our customers.

Scope

This plan considers a broad spectrum of potential events, including but not limited to natural disasters, technological failures, human errors, and cyber-attacks, which may severely impede our ability to continue processing net settlements.

Roles and Responsibilities

ACH is committed to developing and maintaining this business continuity plan. The Clearing House will coordinate with the Clearing Bank, our system provider partner, and any other necessary entities and communicate outages to PFC Settlement customers as warranted by the circumstances. Activation of the disaster recovery plan is the responsibility of the Secretary-Treasurer of Airlines Clearing House or their designee.

Plan Activation

Upon identification of a disruption that interferes with our settlement processing capabilities we will consult with the Clearing Bank and our system provider partner to assess the scope of the disruption and determine the appropriate response based on the business impact.

In the event a disruption affects the Clearing Bank but not our system provider partner, the Clearing Bank's business continuity plan and disaster recovery plan takes precedence.

In the event a disruption affects our system provider partner but not the Clearing Bank, the provider partner's business continuity plan and disaster recovery plan takes precedence.

Recovery Strategy

Our recovery strategy incorporates a thorough disaster recovery plan to switch to backup and/or hot site systems in alternate locations to provide full functioning of Clearing Bank services and processes within three (3) hours of switchover.

The Clearing Bank disaster recovery plan includes switching operations to another office location, transition main operations center to a separate back-up location in the same region, or transition main operations center to a location in another region. The system provider partner maintains a hot site system on the west coast of the U.S. to complement our production environment on the east coast of the U.S.

Annual Drills

To ensure our preparedness, the Clearing House will conduct annual drills to test and improve our disaster recovery and business continuity plan. These drills will simulate various disruptions and allow all relevant staff to practice their roles within the plan. Lessons learned from these drills will be utilized to continually refine our approach.

Communication Plan

The Clearing House will manage communications during and after a disruption. This includes providing switchover notification and periodic updates to staff, customers, and partners based on the level of impact to the stakeholder. Communication will be clear, timely, and reliable, keeping all parties informed about the situation and our response.

Plan Maintenance

The Clearing House is committed to regular reviews and updates of the disaster recovery and business continuity plan to ensure its ongoing effectiveness. This includes adapting the plan to changes in our operations, technology, and the external environment.

Today's Tasks

Provides a reminder of actions to be taken and the due date. As an example, if your company participates in PFC Settlements and have not yet submitted a PFC remittance file, the Task List will display a reminder with the due date. As an alternative to using the Navigation Bar you can select the task from the task list to complete it.

Settlement Dates

Provides you with a quick glance of the dates for upcoming settlements.

PFC Remittance Files

As an alternative to manually entering amounts, you may upload a file for an open period. You may not upload a file or enter amounts for a period that has not yet opened or has already closed.

Previously loaded files, in an open period, may be replaced/overlayed by uploading a new file.

In the event the period is closed, and a replacement file is needed, contact Airlines Clearing House at ACH@Airlines.org or 202-626-4143 for assistance.

A reminder email will be sent to you if the deadline for submission is approaching and you have not yet entered or uploaded PFC remittance amounts.

Files are created in standard .CSV or.txt formats using the specifications below. Do not use CSV UTF-8 format. Files do not contain header or trailer records, only detail rows.

Note: Unless permitted otherwise, only positive amounts may be included (where the airline is remitting a payment to the airport).

PFC Quarterly Reporting Process

Participating Airlines upload their own quarterly reporting files into SMART.

SMART supports various file formats and both monthly and quarterly submissions. Each PFC Quarterly Reporting Airline must notify [ACH](#) of its chosen upload submission frequency (monthly or quarterly) and format (A, B, C or D) prior to go-live or before changing either the existing frequency or format.

The formats supported are:

- Format A: Seven column (standard)
- Format B: Nine column (enhanced to include transaction counts)
- Format C: Seven column including beginning and ending balances
- Format D: Nine column including beginning and ending balances

You will be notified via a system generated email if the PFC Quarterly Reporting Deadline is approaching and your files have not yet been uploaded.

When your input file only has warnings, the file will upload successfully. If you determine that the warnings should be corrected, submit a corrected file during the open period. Your new file submission will overlay and replace the previously uploaded file.

PFC Discrepancy Reports

SMART produces an on-demand discrepancy report that compares the remittance amount submitted through SMART with the remittance amount shown in your company's PFC Quarterly Reporting File.

To access the PFC Discrepancy Report select Participant Reports from the Navigation Bar, PFC Discrepancy, the reporting period, your company and download.

The screenshot shows the SMART web application interface. On the left is a blue navigation sidebar with options: Home, Task List, Manual Entry, Upload Files, Participant Reports, Public Documents, and Company's Documents. The main content area is titled "Participant Reports" and includes filters for Service Type (PFC Discrepancy), Period (2021-3Q (Open)), and Company (007EA ExampleAir). A "DOWNLOAD" button is visible below the filters.

Below is an example of the PFC Discrepancy Report. A tab will be displayed for each month of the quarter.

PFC Quarterly Discrepancy Report						Monday, Aug 02, 2021 16:9:0 PM
